

## **GEOLOGY GRADUATE PROGRAMME**

African Exploration Mining and Finance Corporation SOC Ltd is a state-owned mining company participating in mining activities across the country. The company owns and operates the Vlakfontein Opencast Coal Mine, which has been in operation since March 2011. Vlakfontein Mine is located approximately 10km from Ogies town, 7km from Phola Township in the Emalaheni Local Municipality.

### **About the AEMFC Geology Graduate Programme**

African Exploration Mining and Finance Corporation (AEMFC) is inviting graduates to apply for the Geology Graduate Programme. The first preference will be given to graduates residing within the Emalaheni Local Municipality.

### **MINIMUM REQUIREMENTS OF THE PROGRAMME:**

- A minimum qualification of NQF Level 7 qualification in Geology or similar.
- Able to demonstrate acquired theoretical knowledge in the field of study.
- High level of maturity and eagerness to gain more learnings.
- A valid driver's license will be an added advantage.
- Good business writing, planning and organisational skills.
- Computer literate, knowledgeable with MS Office applications.

Please submit a detailed CV with certified copies of your qualifications to:  
[AERecruitment@aemfc.co.za](mailto:AERecruitment@aemfc.co.za)

The closing date for the above position is **26 April 2024**

Selection is based on academic results and an interview with AEMFC.

Applications received after the closing date will not be considered.
