2. BACKGROUND

African Exploration Mining and Finance Corporation (SOC) Ltd ("**AEMFC**") is a South African State-Owned Entity, incorporated on the 26th of October 1944 as a private limited liability company in terms of the Companies Act 26 of 1926 (Reg No: UC/18018). AEMFC was established to secure South Africa's energy supply primarily through the mining and supply of coal for the generation of electricity, as well as securing other resources that will provide energy for the future, including key minerals for beneficiation in the energy and steel value chain.

African Exploration Mining and Finance Corporation (AEMFC) SOC: Vlakfontein Mine intends to appoint a service provider for cleaning and removal of silt from the culvert pipes and trenches in order for the infrastructures to effectively serve their intended purposes of conveying dirty water to the pollution control dams (PCDs) onsite as well as ensuring that the silt is trapped before the dirty water reaches the dams.

Thus, the Service Provider is requested to provide a quotation for cleaning and removal of silt from the culvert pipes and the trenches.

3. SCOPE OF WORK (SOW)

The service provider is required for the cleaning and removal of silt from the trenches and culvert pipes at the mine as outlined below.
